

LONG LIFE

AGM SEAL LEAD ACID BATTERIES

Long Batteries Industrial Co., Ltd., an expert manufacturer of lead acid batteries in Taiwan, was established in 1990. Long Batteries have received UL Certification approval and have gone through the very strict and long German VdS certification testing process.

Long Batteries have been approved and used by several global companies in the UPS, Security Alarm, Wheelchair, and Medical industries. Many of Long Batteries' customers are the leaders in their industry.
